NIO MORE COD-LIVER OIL. SYBUP IODIZED HOUSERADISH of GRIMAULT and Co., Apothecaries and chemists, 7. Rue de le Peuillade, Paris. According to the certificates of the physicians of the Paris Hospitals, detailed in the prospector, and with the approbation of several Academics, this Byrup is employed with the greatest success in place of God-liver Oil, to which it is roully superior. It cures diseases of the chest, scrofnla, lymphatic disorders, green sickness, muscular atony, and loss of appetite It regenerates the constitution by purifying the Blood, and is, in a word the most powerful depusatise known. It never fatigues the stemach and howels like the jodide of potassium and the jodide of iron, and is administered with the greatest officacy to young children subject to bumpurs or obstruction of the glands. Dr. Dazunavu, of Saint Louis hospital, Paris, recommends it partinills which bear bis name. DHOSPHATE of IRON, DE LERAS, apothecary

doctor of science. 7, Rue de la Feuilleda, Paris, This new ferraginous medicine containthe elements of the bones and blood, and iron in liquid state. From observations made in the hospitals and detailed in the prospectus, it is superior to ferruginous pille, lactate of tron. iron reduced by hydrogen, pills and syrup of the todide of iron, and cures rapidly, stomuch compaints, painful digestion; poverty of the blood, loss of strength and appetite, and the diseases insdental to femates. It is the best adjunct to. Cop Liver Oil and the best preserver of health in tropical chuates.

INLINIR OF PEPSINE propured by GRIMAULT LA & Co., chemists, 7. Run de la l'euillade, Paris, according to the formula of Dr. Convibant, knight of the Legion of Honour. Physician to H. M. the Emperor of the French. PEPHINE is PAStric juice melf, or rather the digestive principle purified, which digests food in the stomach. When from various causes the supply of the digestive fluid is too small, incritable ownsequences are bad digestion, gastristis, gostralgia, inflammation of the enucous conts of the stomach and bowels, heartburn, anomia, loss of strength, and in females, general derangement. The elizir of Pephine, which is sanctioned by the approlation of the Paris. Academy of Medicine speedily cures all such diseases, & prevents vomiting during pregnancy

NOTICE OF REDUCTION OF PASS. AGE MONBY. IN the year 1867 the Directors made a considerable reduction in the Company's rates of Passage Money, which continued in force till 1861.

In that year owing to the extraordinary vise in ing the Cost and Preight of Coals, and the enhanced price of all descriptions of Maval Stores, the Directors were reductantly compelled to return to the rates of Passage Money proviously in force. They are now happy to state that a decrease in the price of Coal and other expenses of Steam Na- Between vigation enables them to reduce the Company's
